# Welcome to I.B.A RIB share management.

With Ionian Boat Assistance you can enjoy a quarter share in a performance RIB at a fraction of the cost of conventional boat ownership and benefit from our all-inclusive management programme that takes care of everything from dry storage and berthing to cleaning. And because we take your enjoyment and safety very seriously, every owner receives one place on an RYA Level 2 Powerboat course.

We even take the hassle out of selling your boat. At the end of the three year scheme, the boat or your share in the boat is sold and the proceeds paid to the relevant owner(s).
